## imageRUNNER 1643P

Black & White Laser Printer

Small businesses and corporate workgroups depend on solutions that help maximise resources, boost productivity, and are easy to manage. The cost-efficient imageRUNNER 1643P can do all that, and more. With fast output and high reliability, the imageRUNNER 1643P helps you accomplish a lot in a small space.

### PERFORMANCE

A compact single-function printer supporting up to legal-size paper, the imageRUNNER 1643P features a smart, comfortable design that can easily fit on a desktop or in a centralised area. With a first print-out time as fast as 5.7 seconds and output up to 43 ppm, the imageRUNNER 1643P is a quick performer. The standard 650-sheet capacity can be increased to 2,300 sheets to handle many jobs without interruption.

### SECURITY

Safeguard information and help ensure security compliance with the imageRUNNER 1643P. Canon's uniFLOW® solution lets users securely retrieve documents from any networked device after authentication. These models also include technology to verify that the device boot process, firmware and applications initialise without tampering.

### COST CONTROL

Designed with your bottom line in mind, the Canon imageRUNNER 1643P helps minimise costs and maximise reliability while the robust design helps ensure dependable operation. Canon's uniFLOW® software can help control costs by managing, tracking and charging back usage. And simple-to-replace, high-yield consumables help keep work moving while achieving a low cost per page.
